The Wellington Solid Panel Sleigh Bed has chamfered detail on the legs and solid wood raised panels in the head and footboards. Twin and full beds are shipped with an eleven-piece wood slat roll for mattress support. Queen and king beds are shipped with a metal PowerLift support system. The Queen bed is shown in Antique White, and the low-profile twin bed is shown in Country Maple.

The exaggerated curves of the Wellington bed legs do not allow for use of College under-bed storage options.
